Conference Hotel Reservations

IF you have made a hotel reservation and no longer need it, please **CANCEL** it immediately. Others need rooms and we don't want your system or GSBA to be monetarily responsible in any way for an unused room.

Conference Hotel Reservations

The list of overflow hotels is on the GSBA website at www.gsba.com. Please visit the site if you still need room reservations. You may want to consider contacting the Hyatt weekly. People do cancel reservations and rooms *may* become available.

DELEGATE/ALTERNATE DELEGATE

Each system will soon be mailed the request for Delegate & Alternate name. Please notify GSBA of your system's Delegate and Alternate Delegate, as soon as you receive the request from GSBA.

Even if your system is not attending the conference, you should still have a Delegate and Alternate Delegate appointed.

Board Meeting Space During Conference

If your board needs space for a meeting during the conference, please contact Martha White via email at mwhite@gsba.com so that your system will not incur any charges for room rental.

For the most part, GSBA can provide A/V equipment, if needed and not too involved, **but** there may be a small charge if equipment is needed from the hotel to accommodate your request.

Board Recognition

Please reference your Board Recognition Chart which was mailed to you prior to today.

Board Recognition

Reminders:

- * Application is due April 15
- * This year's application will require you to send documents in electronically.
 - Awards will be presented on FRIDAY, June 7 during the conference in Savannah.
 - The training component is very important in this recognition process. Quality Boards are required to meet the state minimum. Distinguished and Exemplary Boards are required to go beyond the state minimum. Many board members will complete these requirements at our June 6 Workshops.

Board Recognition continued

Just a reminder, these awards are presented the very next day! It is critical that if the recognition is dependent upon the June 6 training, that your board members be in attendance that day. We are trying to encourage as many of you as possible to get as much training as possible BEFORE June 6.

This application was emailed to you on Monday, February 11.
