

Create Home Screen Shortcuts to RMS site

GREAT FOR SMART PHONES AND TABLETS

SEE INSTRUCTIONS BELOW

You can now add the RMS shortcut to your home screen from the GSBA RMS webpage

<https://gsba.com/member-services/risk-management/>

ANDROID DEVICE

Click on the link above.

Tap the menu button and tap Add to home screen.

You'll be able to enter a name for the shortcut and then Chrome will add it to your home screen.

The RMS icon will appear on your home screen like any other app shortcut or widget, so you can drag it around and put it wherever you like.

<https://gsba.com/member-services/risk-management/>

APPLE DEVICE

Launch "Safari" app. ... Enter the URL into the address field or click on the link above.

Tap the icon featuring a pointing arrow coming out of a box along the bottom of the Safari window to open a menu.

Swipe left in the box just below the message and mail app until you find "Add to Home Screen", tap it and then tap ADD or DONE.

WE STRIVE FOR CONTINUOUS IMPROVEMENT

Let us know what you think of the site
