

Risk Management Services

What We Do:

For over 25 years, Georgia School Boards Association Risk Management Services has offered both Workers' Compensation and Property and Casualty coverage through a risk-sharing insurance pool authorized by the State of Georgia. The coverage is specifically for Georgia public schools. We offer more than coverage by helping districts focus not only on insurance costs but the more critical, longer-view priority, safety and risk management.

Coverages:

Property

- ✓ Blanket coverage for property including buses and vehicles
- ✓ Independent property appraisals every three years
- ✓ Flood, earthquake and named storms protection
- ✓ Mechanical Breakdown

Liability

- ✓ School Leaders Liability designed for school boards and employees
- ✓ Coverage for sexual misconduct, harassment and abuse allegations
- ✓ Other liability coverage: law enforcement, student vocational practices, drones and defense costs for special education cases
- ✓ Contractual liability solutions

Workers' Compensation

- ✓ Full coverage under the GA Workers' Compensation Law
- ✓ Coverage for work/travel out-of-state
- ✓ Pharmacy benefit management services
- ✓ Nurse Case Management
- ✓ Employee safety training
- ✓ Dedicated claims unit
- ✓ Large deductible program

Special Risks

- | | |
|---------------------------------|----------------------------|
| ✓ Cyber-Risk / Data Breach | ✓ Drivers Ed Bonds |
| ✓ Master Builder's Risk Program | ✓ Fine Arts |
| ✓ Superintendent Bonds | ✓ Crisis Response |
| ✓ Facility Use Coverage | ✓ School Resource Officers |
