Program Overview
GSBA Governance Team of the Year
This prestigious award honors the top board of education and superintendent team in Georgia that best demonstrates its commitment to maximizing student achievement and enhancing trust and support for public education in their community. This honor is deeply rooted in the components of the Georgia Vision Project’s research-based recommendations for Georgia’s public schools and the research-based practices for governance team leadership that results in high student achievement. The award is open to school districts who meet a certain academic achievement threshold.
